Alex:

[REDACTED]

My hope remains that we can also resolve the Intellect Wireless matter under similar terms but, as I mentioned, in that case, HTC will be required to pay the withholding tax itself, so that the net payment to Intellect Wireless, after withholding, is \$1.25 million.

Alex:

There has been considerable resistance from our client to a settlement on terms like we discussed informally. Thus, we have to withdraw the offers I made. There are, of course, on-going settlement discussions HTC requested that are taking place before the Magistrate-Judge and our client will obviously participate in those.
